

BACKPACK FORZA 15.6"

Full concentration on your victory. Go all-in and pack your gaming gear all-in. The FORZA backpack offers 27 litre of storage space for your laptop, console and all your accessories. It combines purpose-built features with intuitive organization. So you can focus on the things that really matter. The victory will be yours.

Always one step ahead. The backpack combines technical benefits with a high level of protection and functionality. You'll never want to be without it again. Thanks to the reflectors you are always visible. With rain cover. For your laptop and console. Lockable main compartment for maximum theft-protection.
